Kimberly and **Steven Rockefeller** have been looking at property on Ambergris Cay, the wildly exclusive, 1,100-acre private island in Turks and Caicos, where publishing heiress **Anne Hearst** and author **Jay McInerney** already own houses. **Tom Cruise** and **Katie Holmes** visited earlier this year scouting for a home for their family. The resort's official architect is **Campion Platt**, who's done interiors for the likes of **Meg Ryan**, **Conan O'Brien** and **Russell Simmons**.
